DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The communication, filed on 7/18/03, is non-responsive to the prior Office Action, mailed 3/25/03, because of inconsistencies in the status of claims. For example, page 23, line 24, of the communication states that claims 6 and 23 are amended. The status of claim 6, on page 7 of the communication, states that this claim is in original form. The status of claim 23, on page 10 of the communication, states that this claim is currently amended. However, neither claim has been altered from its original form. Correction of these and any other inconsistencies in the communication, filed 7/18/03, is requested.

Since the response appears to be bona fide, but failed to correct the drawings appropriately, applicant is required to complete the response within a time limit of one month from the date of this letter or as extended as follows. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a) OR (b) UP TO A MAXIMUM OF SIX MONTHS.**

Papers related to this application may be submitted to Technical Center 1600 by facsimile transmission. Papers should be faxed to Technical Center 1600 via the PTO Fax Center located in Crystal Mall 1. The faxing of such papers must conform with the notices published in the Official Gazette, 1096 OG 30 (November 15, 1989). The CM1 Fax Center number is either (703) 308-4242 or (703) 305-3014.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Carolyn Smith, whose telephone number is (703) 308-6043. The examiner can normally be reached Monday through Thursday from 8 A.M. to 6:30 P.M.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Woodward, can be reached on (703) 308-4028. Any inquiry of a general nature or relating to the status of this application should be directed to Legal Instruments Examiner Tina Plunkett whose telephone number is (703) 305-3524 or to the Technical Center receptionist whose telephone number is (703) 308-0196.
